

MSPA

LGBTQ+ COMMUNITY ★ ADVOCACY ★ INNOVATION

To our community.

MSPA stands firmly beside our Asian American and Pacific Islander (AAPI) siblings. We condemn the extension of racist violence that has been increasingly attacking the AAPI community since the initial outbreak of COVID-19.

We ask our members and followers to join us in the fight to stop Asian hate. If you experience or witness a hateful or discriminatory action towards a member of the AAPI community, please report it to [STOP AAPI HATE](#) if you can do so safely.

Sincerely,

The Medical Student Pride Alliance National Leadership Team
